To Whom It May Concern:

I am writing this letter in support to Enterprise Renfrew County. I have worked with Enterprise Renfrew County for a number of years and have always been impressed with the quality of service that they provide to entrepreneurs and small business people in the Ottawa Valley.

When people approach my office in Deep River with business start-up issues I always refer them to Enterprise Renfrew County because I know they will excellent information and support. I have also recently attended information/learning sessions that the enterprise office have brought to the valley and have been extremely impressed with the professional delivery of the content and its relevance to the needs of our businesses.

Enterprise Renfrew County plays a very important part in the economic development of this area. They do a great job!

Sincerely,

John Walden
