To Whom It May Concern:

I am pleased to write this letter of support for Enterprise Renfrew County; as through their services, they have been supporting young entrepreneurs, new business development, and the communities of Renfrew County for the past several years.

Enterprise Renfrew County is a tremendous asset to the County of Renfrew. They have been an active community partner and have had a very positive impact on the economic development in our area. Further, they provide support, encouragement and most importantly, valid information to many of our Business Management students here at Algonquin College in the Ottawa Valley.

In closing, Algonquin College in the Ottawa Valley fully supports Enterprise Renfrew County.

Yours sincerely,

Karen Davies
