

Year in Review Newsletter 2022

Greetings to our valued program participants, community partners, and regional entrepreneurs!

Starter Company PLUS
Training + Mentoring + Funding Opportunities

Looking Back in Celebration!

This has been a year of change for Enterprise Renfrew County with a new team onboarded and revitalized community partnerships!

Enterprise Renfrew County recognizes the value of relationships in co-creating a thriving small business environment regionally. Gratitude to all the municipal, economic development, tourism, social service, and entrepreneurial organizations who have partnered in the past year to deliver and promote workshops supporting our small business communities.

Together we can do so much!
